RE: Please Grant FCC Approval of the InnoCaption App
Created by Miracom for Smartphone Devices

Dear Secretary Dortch,

I am writing to ask for your support in making Innocaption available to the hard of hearing community. I was asked to try Innocaption and found the captioning service superior to anything I have used so far. Innocaption put me on a level playing field with the hearing community, something I haven't been able to do for 20 years now. I hope this product is available to all of us as soon as possible.

Thank you for taking serious note of this request.

Sincerely,

Marla Dougherty
